Food & Drink:

To manage Social Distancing at the centre entry to our Diner is only available once you and your group have been through the harnessing and briefing stage of your visit. This is to allow a steady flow of customers in our Diner which now has a reduced capacity.

We politely request that you do not plan to eat before climbing to enable us to manage and maintain the flow of customers due to our social distancing requirements.

Customers and guests are **NOT PERMITTED** to consume food or drink at Clip 'n Climb Leeds unless it has been purchased from our on-site Woodpeckers Diner except for weaning babies.

Unfortunately, our water fountain within our climbing arena is currently out of use due to Covid-19 so you can bring your own filled water bottle to consume during your session – but only water is allowed within the climbing arena. Usually we are also happy for you to bring your own reusable coffee cups when placing an order from our Woodpeckers Diner but unfortunately again due to Covid-19 this is currently unavailable.

The only other exception is linked to cakes for birthday parties, and this will be explained by our events co-ordinator when making a birthday party booking.
